MONTHLY SUFFERING.

Thousands of women are troubled at monthly intervals with pains in the head, back, breasts, shoulders, sides, hips and limbs. But they need not suffer.

These pains are symptoms of dangerous derangements that can be corrected. The menstrual function should operate painlessly.

McELEE'S Wine of Cardui

makes menstruation painless, and regular. It puts the deranged menstrual currents in condition to do their work properly. And that stops all this pain. Why will any woman suffer month after month when Wine of Cardui will relieve her? It costs 25c at the drug store. Why don't you get a bottle to-day?

For advice, in cases requiring special directions, address, giving symptoms, "The Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.

Mrs. ROSENA LEWIS,

of Greenville, Texas, says:

"I was troubled at monthly intervals with terrible pains in my head and back, but have been entirely relieved by Wine of Cardui."
